EDUCATION

## THE MMA DIFFERENCE

MMA provides a different risk management experience to education clients. We seek first to understand your unique exposures and then strategize the most effective methods to address those issues. Insurance is an important tool in that process. It is through our many resources—premier brokerage services, enhanced underwriting negotiation, and contractual reviews—that we demonstrate true value in the education industry. This difference is what we call **World Class, Local Touch**—bringing the resources of an international firm while recognizing the importance of a local relationship.
