**PROTECT
MY TUITION™**

TUITION INSURANCE COVERAGE

Protect My Tuition™ has a two-part goal. First, we want to protect a parent's investment in their child's education and their contractual obligation to the school. Secondly, we want to provide a platform for a school to protect their bottom line enabling them to deliver the quality educational experience their students desire. Our approach to accomplish this goal is through designing a fully customizable plan that meets the unique needs of each school's demographic.

With the Protect My Tuition™ platform, you will be able to craft a plan with varying co-insurance percentages for every peril, and you are not limited to generic percentages. Furthermore, if your school would like to participate in the risk by taking an overall deductible to reduce the premium for each parent, this is an option as well.

What is Tuition insurance?

Tuition insurance helps protect the investment you are making in your child's education. For a covered cause of loss, it will pay to the school the remaining portion of tuition and fees up to the co-insurance percentage listed on the policy.

What Kinds Of Perils Are Covered?

Withdrawal from school due to medical reasons, academic or disciplinary discharge, the tuition payer's loss of job or job transfer, or death of tuition payer.

Why Should Our School Consider Tuition insurance?

There are three reasons to consider tuition insurance. The first is for protection to your bottom line. Secondly, it avoids the difficulty of collecting tuition from a family whose child has withdrawn for any reason. Lastly, it eliminates the need for withdrawal exceptions the school makes to certain families.

Two new optional endorsements:

- Waiver of 14 day waiting period
- Tuition Continuance Rider for loss of job and death of tuition payer
