Senn Dunn Insurance Named Best Employer in North Carolina

Greensboro, NC – May 10, 2016 – Senn Dunn Insurance, a Marsh & McLennan Agency LLC Company, was recently named as one of the 2016 Best Employers in North Carolina. The list of the Best Employers in North Carolina was created by Business North Carolina, the Society for Human Resource Management (SHRM) – NC State Council and Best Companies Group.

This statewide survey and awards program is designed to identify, recognize and honor the best places of employment in North Carolina, benefiting the state's economy, workforce and businesses. The 2016 Best Employers in North Carolina list consists of 45 companies. Senn Dunn has been named one of the Best Employers in North Carolina for the third consecutive year.

Companies from across the state entered the two-part survey process to determine the Best Employers in North Carolina. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. This part of the process was worth approximately 25% of the total evaluation. The second part consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75% of the total evaluation. The combined scores determined the top companies and the final rankings.

“We are pleased to be recognized as one of the best employers in our state for the third consecutive year, especially since our associate’s feedback was a significant contributor to our placement on this list,” says T. Gray McCaskill, CEO of Senn Dunn. “Since becoming part of the Marsh team, we continue to provide professional opportunities for our associates to grow and develop.” (Marsh was recently named one of America’s Best Large Employers by Forbes for 2016).
